Full Synopsis

At the Delta Nu sorority house, word is out that Elle Woods is going to dinner to get engaged to her beau, Warner Huntington III ("Omigod You Guys"). Margot, Serena and Pilar lead the other Delta Nus to the mall, where Elle is having trouble choosing the right dress for the occasion. Later at dinner, just when Elle is sure Warner is going to propose, he breaks up with her, explaining that, with his departure for Harvard Law School, it's time to get serious ("Serious"). Devastated, Elle locks herself in her room. Twelve days later, the Delta Nus finally get Elle to emerge ("Daughter of Delta Nu"). Elle realizes the only solution to her heartache is to get into Harvard Law and prove to Warner she's serious enough for him ("What You Want"). Sorority sister, Kate, helps Elle study for the LSAT and, after several attempts and a lot of hard work, Elle's application comes before Harvard Admissions. Lowell, Winthrop and Pforzheimer, three Harvard admissions coordinators, decide to admit Elle after a very extravagant song and dance (which she submits in lieu of a personal essay), citing love as her main motivation.

On the first day of class, Elle meets her fellow first-year law classmates, Aaron, Padamadan and Enid, as well as Warner, who is shocked to see her on campus. Callahan (the most feared teacher at Harvard) kicks Elle out of class for being unprepared, at the suggestion of classmate Vivienne Kensington. Callahan's TA, Emmett, tries to console Elle, but her mood only worsens when Warner confesses to Elle that Vivienne is his new girlfriend. Elle finds the nearest salon and meets Paulette, who commiserates with her situation ("Ireland").

Afterward, Elle runs into Vivienne, who invites her to a costume party. Elle attends, hoping to see Warner, but is dismayed to discover she is the only one who wore a costume — much to Vivienne's delight. On the way home, Elle meets Emmett, who tells Elle how hard he's worked to get where he is and encourages her to do the same ("Chip on My Shoulder").

Time is passing quickly at law school, and Elle is working harder than ever, eventually winning her first court case in class and receiving a recommendation to apply for Callahan's internship. With her newfound confidence, Elle helps Paulette win her dog back from her estranged boyfriend, Dewey.

Back at Harvard, Warner and Vivienne win two of Callahan's coveted internship positions, and Warner proposes to Vivienne on the spot, right in front of Elle. Before her heart can break, Emmett shows her the internship list, and Elle is ecstatic to discover her name is on it as well ("So Much Better").

The interns quickly jump into the case of fitness video guru, Brooke Wyndham, who is accused of killing her wealthy husband. After watching her fitness video ("Whipped into Shape"), the interns meet her at a correctional facility, where she refuses to give her alibi to anyone but Elle, thanks to their Delta Nu sisterhood ("Delta Nu Nu Nu"). In confidence, Brooke shares with Elle that she was getting liposuction the day her husband was killed, so there is no way she could be guilty, but no one can know because her fitness empire would be destroyed. The other interns demand that Elle give up Brooke's alibi, but Elle refuses to go against her Delta Nu pledge.

Back at the salon, Paulette has eyes for the UPS delivery man, Kyle, but isn't confident enough to go after him. Elle teaches her a guaranteed move to win any guy's affections — the Bend and Snap ("Bend and Snap"), but when Paulette tries it, she accidentally breaks Kyle's nose.

Elle returns to the case, but Callahan has a different agenda and tries to kiss her... just as Vivienne returns, unnoticed. Elle rejects Callahan's advances and is fired. Defeated, she prepares to go home, convinced she was only ever seen as a joke, even though Emmett asks her to stay, finally realizing that he is in love with her ("Legally Blonde"). Elle stops by the salon to say goodbye to Paulette, but Vivienne — who witnessed what happened to Elle in Callahan's office and finally understands her — convinces her to keep fighting. The entire salon rallies behind Elle as she heads back to the courtroom ("Legally Blonde – Remix"), where Brooke fires Callahan and hires Elle to continue her defense.

Everyone is present to witness Elle's first day in court, including Paulette and Kyle (now a couple), Margot, Serena, Pilar and the other Delta Nus. Brooke's stepdaughter, Chutney, takes the stand to testify that, when she got out of the shower, she witnessed Brooke standing over her father's body, covered in blood. When asked what she had been doing earlier that day, Chutney reveals she had gotten a perm, and Elle realizes a flaw in Chutney's alibi — she couldn't possibly have showered the same day as receiving a perm, or her hair would be flattened. Since her perm is still intact, she has obviously lied about her alibi. Under some intense questioning from Elle, Chutney accidentally reveals that she killed her father, mistaking him for Brooke. Elle wins the case, and Brooke is set free. Warner tries to propose to Elle, but she gently refuses, having gained her independence and a desire to be the best she can be ("Find My Way").

Three years later, Elle is made valedictorian of her class and, in her commencement speech, she proposes to Emmett, who accepts. Everyone celebrates their legally blonde friend and heroine, Elle Woods ("Finale").

Audition Piece 1 (Elle Woods)

Part 1

Me? Ok, so I'm a Gemini with a double Capricorn moon. And I have a Bachelor's degree from UCLA where I was Sig Ep Sweetheart, President of Delta Nu Sorority and founded the Charity Shop for a Cause...Oh and this is Bruiser. He's not a dog!!! He's family!!!

Elle spots Warner

...OH Warner, that's so weird. I totally forgot you go here!

Part 2

(A member of production team will read in for 'Brooke')

ELLE

Delta Nu's former UCLA President, Elle Woods!

BROOKE

Shut up!

ELLE

Oh yeah!

BROOKE

That's so great! Thank God someone on this legal team gets me!

ELLE

Sisterhood's forever. I believe you. And I will fight with everything I have to clear your good name. But that involves an alibi...

BROOKE

I can't tell it.

ELLE

Everyone has their secrets. For years I denied my highlights.

Part 3- Singing: (So Much Better – Legally Blonde Jr. Version)

*All of this time I planned I'd be patient and You would love me again
You'd come to respect my mind and at last you'd find You could love me again
And I have turned my whole world upside down
Trying not to let you go Watching you walk away is like a fatal blow
What? Whoa!
Is that my name up on that list? Does someone know that I exist?
Is this a mistake? Am I even awake?
Pinch me now to make sure Ow! Yes, that's my name in black and white
Maybe I'm doing something right Wow! I feel so much better than before...*

*Maybe she's what you prefer But hey, last year I was her
Maybe you will change your mind But you might look up to find
I've gone on to better things Better jobs or bigger rings
I don't have the time to cry, I'm too busy loving my name up on that list
Kind of a cool, ironic twist
Who else can I tell? Hoo! Wait, where's my cell? Mom will fall on the floor Hey mom!
Look at my name in black and white Your daughter's doing something right
I feel so much better, I'll be there on Monday, 9 o'clock And we will see who walks the walk
No, no, I can't wait, I will be there at 8, When they unlock the door
Oh, oh! I'll even dress in black and white See, I have not begun to fight
And you'll go, oh, much better and oh, much better
And soon all y'all gotta know much better
I am so much better, I am so much better, I am so much better than before!*

DELTA NU

(The GIRLS make a triangle symbol and look heavenward and Elle SCREAMS)

DELTA NU

What? Don't tell me ponchos are back in.

(ELLE jerks to attention, holds up the magazine.)

ELLE

No, worse! It's Warner's brother - Peyton Huntington the Fourth and his bride! Pictures from his wedding! LOOK!

Singing (Serious – Legally Blonde Jr Version)

*We both know why we're here, i see it in your eyes. I guess it calms my fear, to know

Audition Piece 4 (Emmett)

Hi, Ms. Wyndham. I'm Emmett Forest. I'm co-counsel with Stidwell, Zyskowski, Fox and Callahan. These four interns are the cream of the crop at Harvard Law and we're here to "whip up" your legal defense. Incidentally, my mom's a big fan of your DVD's. Anywho, we'd love to discuss your case and go over a few choices. We want to free you as soon as possible, so you can bring your message back to your fans. Callahan briefed me on your meeting and there is a significant amount of evidence against you. To free you, the jury will need to hear an alibi. If we can't hear an alibi, you should accept a plea bargain. You'd get out in a couple of years. That sounds reasonable, right?

Singing (Chip on My Shoulder Part 1– Legally Blonde Jr Version)

*I grew up in the Roxbury slums
With my Mom and a series of bums
Guys who showed me all the ways a man can fail
I got through Harvard I worked like a fool
Worked two jobs in addition to school
So, forgive me for not weeping at your tale*

*Elle:
Well, excuse me
Just because you've got some kind of chip on your shoulder*

*Spoken: You know what?
You're right*

*There's a chip on my shoulder
And it's big as a boulder
With the chance I've been given
I'm gotta be driven to excel
I'm so close, I can taste it
So, I'm not gonna waste it
Yeah, there's a chip on my shoulder
You might wanna get one as well*

Audition Piece 5 (Vivienne)

Part 1

William Shakespeare wrote: "To thine own self be true". And it must follow, as the night, the day, thou canst not be false to any man." I believe this statement best applies to a woman. A blonde woman! For the last three years she taught me and showed us all. That being true to yourself never goes out of style.

Part 2

VIVIENNE

I didn't make you look bad, you just weren't prepared. Try opening a law book. But I should warn you. They don't come with pictures.

WARNER

Hey!-

VIVIENNE

Warner, is there something you'd like to share with Elle?

ELLE

Do you know her?

WARNER

Yeah... Elle, Vivienne and I went to boarding school together... and she's my girlfriend now.

ELLE

I'm sorry. What did you say?

VIVIENNE

He said I'm his girlfriend.

Singing (Legally Blonde Remix Part 1 – Legally Blonde Jr. Version)

That's not what I see...Us girls gotta stick together!

*I used to pray for the day you'd leave, Swore up and down you did not belong
But when I'm wrong then I say I'm wrong And I was wrong about you,
so listen up I see no end to what you'll achieve
That's only if you don't turn and run
You've proved it to me now show everyone, what you can do
and you look great in dark blue
Get back in the game, back on the case Take a good look at my face
I'm not a fool and as a rule I do not fight,
But I see a star, you're my new muse
You've got the best freakin' shoes
And you lit a fuse, so go show 'em Who's legally blonde
Yes you lit a fuse, so go show 'em Who's legally*

Audition Piece 6 (Professor Callahan)

CALLAHAN

-You have the right to remain silent. Anything you say will be used against you.

(The CLASS sits up straight to listen.)

When you choose a career in law you're bound to hear that "a lawyer is a shark." Ignore that. It's simplistic and it's stupid. Only some of you will turn out sharks. The rest...are chum.

(No reaction from the CLASS.)

What's my point? I'll tell you. From this class I will hire four young sharks to work at my billion-dollar law firm. As interns. For me. Virtually guaranteeing a career. Provided you can survive.

(CALLAHAN notices ELLE in the front row.)

Now, Ms...?

ELLE

(brightly)

Woods. Elle Woods.

CALLAHAN

Someone's had their morning coffee. Would you summarize the case of State of Indiana v. Hearne from your reading, please.

Singing: Whipped Into Shape (Legally Blonde Jr. Version)

*I want her whipped into shape
If there's a brain in that hair
Tell it that I am the key
It's a plea or the chair
See, when I talk to her I
Get neither plea nor plan nor alibi
To quote from our defendant's tape
I want her whipped into shape*

To the jail!

Audition Piece 7 (Paulette)

PAULETTE

Hey there! Welcome to the Hair Affair.

ELLE

Make me a brunette.

PAULETTE

What? Brunette? Honey-

(gestures to her hair)

-you're a genetic lotto win! Alright, something else is goin' on here. Back up. Paulette's listenin'. Spill.

ELLE

Okay. I'm Elle Woods, and I came all the way out for Harvard Law School-

PAULETTE

That's a good school!

ELLE

I know, right? And I did it to follow my one true love Warner out here and now he's... he's dating this evil preppie.

PAULETTE

So what's she got that you don't got?

ELLE

She's-

(air quotes)

-"serious" with mousy brown hair. Apparently that's what Warner wants. So, you have to make me a brunette.

PAULETTE

Whoa, whoa, whoa. Do you know the number one reason behind all Bad Hair Decisions?

Singing: Ireland (Legally Blonde Jr. Version)

*See, my mom was three quarters Italian, And my father I never knew,
But my Grandfather he came from Ireland. The land where dreams come true.
He said all Irish men are like heroes, they're descendants from poets and kings.
So I swore I'd get married in Ireland, In a wedding like Lord of The Rings.
And my red-headed groom I can see 'im, As we stroll past the churches and farms.
He's a sailor named Brendan or Liam, He can dance without moving his arms
In a bar once I met this guy, Dewey, Who played drums in a local band,
And he told me that he was from Ireland, And I knew he was truly grand.
So I let him move in to my trailer, and I followed him round in a fog.
Till he dumped me for some girl named Kayla, Took my savings and took my dog.
My grandfather shoulda just shut it! Every story he told me steered me wrong!
All the dreams that he gave me got gutted, all that's left is this weird enya song.
But a girl sweet as you has a future, You have hope as each new day dawns
Girls like you always get to see Ireland
Give my love, To the leprechauns*

When you start to cry
If you don't look like you should

What you want, you wanna be wonderin' where your youth has gone
What you want, you wanna hold on*

I'm not arguing Ms. Woods is entirely unqualified, but she didn't bother sending in a personal essay...

[PRODUCTION TEAM MEMBER]

Welcome to the hallowed halls of Harvard Law. Let's go around and share a bit about yourselves.

AUDITIONEE

Aaron Shultz. I won a Fullbright and a Rhodes and became fabulously wealthy writing financial software code. But spending my money grew painfully insipid and stale, so now I'm here at Harvard Law.

[PRODUCTION TEAM MEMBER]

Well, that's-

AUDITIONEE

I'm sure I will quickly become top of the class and impress Professor Callahan greatly due to my skillset.

[PRODUCTION TEAM MEMBER]

Pleased to-

AUDITIONEE

I *also* did the Peace Corps, building family clinics by hand out of mud and trees. It was hot and exhausting and I loved every minute of it. But Harvard Law needs me more.

Audition Piece 12 (Any other role, including 'featured ensemble', 'ensemble', and any other named roles)

You will sing as PART OF A GROUP and act individually.

Singing: Omigod You Guys (Legally Blonde Jr Version)

Omigod!
Omigod you guys,
Looks like Elle's gonna win the prize
If there ever was a perfect couple, this one qualifies
Omigod you guys!
Omigod this is happening,
Our own homecoming Queen and King
Finally she'll be trying on a huge engagement ring for size,
Omigod you guys!
Omigod!

When you choose a career in law you're bound to hear that "a lawyer is a shark." Ignore that. It's simplistic and it's stupid. Only some of you will turn out sharks. The rest...are chum.
